

Program of Excellence in Nanotechnology (PEN)

Integrated Nanosystems for Diagnosis and Therapy

Supported by the National Heart Lung and Blood Institute (NHLBI)

of the

National Institutes of Health

Outreach Program

January 15, 27 & 28, 2015

Washington University

Investigating Nanotechnology: Presentation & Experiment:

- Ultraviolet (UV) Light Protection
- Stain-Resistant Fabrics Experiment

**In Conjunction with the St. Louis
Science Center *Teen Science Café* –
specifically designed to encourage
and foster science in
nanotechnology for primary school
age children**
